13. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 1

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|--|---|
| 1. | To quantify annual use of packaging type | LDPE 55 micron bags - 215t Polypropylene pots 29g - 40t Cardboard cartons 200 gsm - 1200t Carton tape .046mm - 12t Pallet Shrinkwrap 10 micron - 5t Spinach Boxes 450 micron - 50t |
| 2. | To calculate and identify the packaging efficiency of each new SKU | No new SKUs were introduced in 2015. |

14. Describe any constraints or opportunities that affected performance under this KPI

There were no new SKUs nor any amendments to current SKUs during 2015

Goal 2: Recycling

KPI 3: % signatories applying on-site recovery systems for used packaging.

15. Do you have on-site recovery systems for recycling used packaging?

- Yes at all facilities/ sites
 Yes at some, but not all facilities/ sites
 No

16. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 3

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|--|--|
| 1. | Maintain the office paper waste recycle system | All office staff continue to use separate paper bins and Australian Paper Recycling were again contracted to regularly collect a central paper recycling bin. It is estimated that we recycle 3t of paper annually for an office of 6-10 people. |

17. Describe any constraints or opportunities that affected performance under this KPI

No product packaging is utilised on site

KPI 4: Signatories implement formal policy of buying products made from recycled packaging.

18. Does your company have a formal policy of buying products made from recycled packaging?

- Yes No

Provide details of policies and procedures (including names of policies/ procedures)

Logan Farm Packaging Policy - it is Logan Farm's policy to optimise packaging to achieve resource efficiency and reduced environmental impact without compromising product quality, safety and cost through maximising the use of recycled and recyclability content, minimising packaging gauge and size, and matching the elements of the market leaders.

19. Is this policy actively used?

- Yes No

20. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 4

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|--|-------------------------------|
| 1. | Communicate Logan Farm's policy to all packaging suppliers and request investigation of potential packaging alternatives that will meet this policy. | Letter sent to all suppliers. |

21. Describe any constraints or opportunities that affected performance under this KPI

No supplier has committed to be able to reduce packaging quantities in any of our products. The need to maintain packaging integrity through the international frozen cold chain was cited as the main reason. However, our major packaging supplier that supplies over 80% of all our packaging is a signatory to the APC.

The level of recycled materials in our packaging is the standard set by our suppliers. The letter sent to them asks them to communicate back to Logan Farm should they be able to improve on these standards.

Goal 3: Product Stewardship

KPI 6: % signatories with formal processes to work collaboratively on packaging design and / or recycling.

22. Does your company have formal processes in place for collaborating with other companies or organisations on improved packaging designs and/or recycling which aims to reduce or eliminate waste?

Yes No

23. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 6

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|--|-------------------------------|
| 1. | No specific targets set for this KPI | N/A |

24. Describe any constraints or opportunities that affected performance under this KPI

Constraint - Logan Farm is a technology "taker" with our product suppliers and therefore has very little real influence on packaging design. Our packaging suppliers are aware that Logan Farm is a member of the APC. There has been no communication to other organisations outside of our packaging suppliers.

KPI 7: % signatories showing other Product Stewardship outcomes.

25. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 7

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|--|-------------------------------|
| 1. | No specific target set for this KPI | N/A |

26. Since the beginning of the reporting period, has your company had any other outcomes related to product stewardship?

Yes No

If yes, please give examples of other product stewardship outcomes

N/A

27. Describe any constraints or opportunities that affected performance under this KPI

Logan Farm has not been involved in any community or resource saving activities throughout the year. It has also not been involved in any philanthropy projects.

KPI 8: Reductions in packaging items in the litter stream.

28. Please indicate your progress this year towards achieving your annual targets and milestones for KPI 8

| | Target: According to your Action Plan, what did you set out to do? | Actual: What did you achieve? |
|----|---|--|
| 1. | To include the mobius loop and non-littering logos on any new packaging | No new packaging was introduced during 2015. |

29. Describe any constraints or opportunities that affected performance under this KPI

We installed an external cigarette butt bin in the company car park, although this is for visitors as we have no smokers on staff.

Your Experiences

This section lets you share with us any achievements, good news stories and areas of difficulties in making progress against your plan and the Covenant goals and KPIs.

30. Key achievements or good news stories

Despite its limited operations, Logan Farm is committed to using responsible packaging solutions and to communicate this requirement whenever dealing with packaging within the organisation.

31. Areas of difficulties in making progress against your plan, Covenant goals or KPIs

Logan Farm will continue to compare our packaging to the market leaders to monitor any improvements in their packaging which may be able to be implemented by our suppliers.
